## Special Dates

Parents are always welcome in the classroom, but you may want to make a note of the following occasions and attend these activities. More detailed information about each celebration will be provided during the weeks prior to the event.

**Halloween Party:** Preschoolers may dress up in costume for the day. Families may want to come during the last half hour of class to join us as we parade around the grassy area outdoors and “trick or treat” and perform songs in the CCC offices. Parents are welcome, but not required, to bring a special treat for the students. Non-food treats are encouraged (erasers, stickers, etc.)!

**Thanksgiving Feast:** Preschoolers and their families have a multicultural Thanksgiving Celebration and Potluck in one of the CCC rooms. We’ll sing a few Thanksgiving songs for our families, too! This activity will take place during the last 45 minutes of class.

**Holiday Party:** Visit from Santa (a surprise guest for our students!). Preschoolers will have prepared a holiday gift and hold a short performance for their families. Preschool staff will provide drinks, we ask that each family provide cookies or a special sweet to share. This activity will take place during the last 45 minutes of class.

**Birthdays:** On your child’s birthday we do allow parents to bring or do something special to celebrate. If you would like to bring a treat, please keep it bite-sized (no full-size cupcakes) or bring a non-food item (pencil, eraser, stickers, bubbles). Please note any allergies in your child’s class. Alternately, we invite your child to donate a book to the classroom with a birthday message!

**Valentine’s Day:** Preschoolers may bring Valentine’s cards into class on this day. Kinder Learners students are encouraged to use this as an opportunity to practice writing their classmates’ names (start early - do two or three each day!). Teachers will provide a list of the first names of all children in the class. We’ll make Valentine “mailboxes” in class.

**Picture Day:** Lifetouch comes each year to take individual photos of our preschoolers. Graduating Kinder Learners and Afternoon Preschoolers dress in a graduation cap and gown (provided by the photographer), and Little Learners may wear anything they like--casual or dressy. There is an opportunity for sibling and family photos, too. There is NO obligation to purchase the photos.

**Egg Hunt:** We dye eggs in class, make baskets, and have an egg hunt on the CCC lawn! (*It’s the fastest egg hunt you’ve even seen!*)

**Parent’s Day:** Parents are invited to join us for a special Parent’s Day celebration in the El Toro Room.

**Graduation and Last Day Celebrations:** Families meet Kinder Learners in the Hiram Morgan Hill banquet room for diplomas, a short performance, and photos. Little Learners and Afternoon Preschoolers have a special last day celebration with songs and pictures. We will recognize the Afternoon Preschoolers that are heading off to Kindergarten.
