

CONSTRUCTION DETAILS

- TABLE OF CONTENTS -

<u>TITLE</u>	<u>PAGE</u>
<u>GENERAL SECTION</u>	
General Notes	G-I
General Notes	G-II
Legend (Sheet 1 of 2)	G-1
Legend (Sheet 2 of 2)	G-2
<u>STREET SECTION</u>	
General Notes	A-I
General Notes	A-II
General Notes	A-III
Handicap Ramp (Residential Sidewalk)	A-1
Handicap Ramp (Commercial Sidewalk)	A-2
Concrete Curb and/or Gutter Types	A-3
Sidewalk (Commercial, Detached Residential, and Attached Residential)	A-4
Standard Returns (Detached and Transition Sidewalks)	A-5
Residential Sidewalk Transition	A-6
Plug for Abandoned Driveway	A-7
Residential Driveway Approach (Attached Sidewalk)	A-8
Residential Driveway Approach (Detached Sidewalk)	A-9
Industrial Driveway Approach (Commercial Driveway)	A-10
Cross-Drain Commercial Driveway Approach	A-11
Pavement To New Curb Transition	A-12
Structural Design Chart for Flexible Pavements	A-13
Relationship Between Gravel Equivalent Factor for Asphalt Concrete and Traffic Index	A-14
Gravel Equivalents and Equivalent Factors	A-15
Street Section (68' Industrial and 92' 4-Lane Undivided Arterial)	A-16
Street Section	
(96' Butterfield Boulevard without Drainage Channel)	
(157' Butterfield Boulevard with Drainage Channel)	A-17
Street Section (110' 4-Lane Devided Arterial and 72' 2-Lane Collector)	A-18
Street Section (48' or 52' Residential and 48' or 52' Half-Street Residential)	A-19
Street Section (Cul-De-Sac)	A-20
Street Section (Rural)	A-21
Temporary Turn Around for Future Street	A-22
Standard Street Knuckle	A-23
Standard Median Taper	A-24
Asphalt Concrete Berm	A-25
Temporary Paved Median Island	A-26

TITLE

PAGE

STREET SECTION (Cont'd.)

Cobblestone Median Island	A-27
Landscape Median Island	A-28
Street Name / Stop Sign	A-29
Street Striping & Stop Bar	A-30
Standard City Monument	A-31
Street Barricade	A-32
Emergency Access Gate	A-33
Marker Posts in Easements	A-34

WATER SECTION

General Notes	W-I
General Notes	W-II
General Notes	W-III
General Notes	W-IV
Typical Water Service Installation	W-1
Water Service Manifold (for Domestic & Fire or Domestic & Irrigation Services)	W-2
Water Service Manifold (for 4" or Greater Service Line)	W-3
Recommended Pressure Regulator Assembly and Location (for Water Services with Pressure Greater than 150 P.S.I.)	W-4
Air Relief Valve Assembly	W-5
Reduced Pressure Backflow Preventer (Sizes 1" to 2")	W-6
Reduced Pressure Backflow Preventer (Sizes 2 1/2" to 4")	W-7
Double Detector Check Valve Assembly	W-8
Private Water Lateral Connections (4" and Greater)	W-9
Backflow Prevention Legend & Notes	W-10
Meter Installation & Bypass (for 4" thru 8" Domestic Water Services)	W-11
Typical Valve Installation	W-12
Hydrant Installation and Location (with Sidewalk Meander)	W-13
Hydrant Location Attached Sidewalk (without Sidewalk Meander)	W-14
Hillside Fire Hydrant Location	W-15
Fire Hydrant Location Marker	W-16
Elbow Thrust Block (Horizontal and Downward Thrusts)	W-17
Elbow Thrust Block (Upward Thrust)	W-18
Tee Thrust Block	W-19
Blow Off	W-20

SEWER SECTION

General Notes	S-I
General Notes	S-II
General Notes	S-III
Sewer Cleanout	S-1

TITLE

PAGE

SEWER SECTION (Cont'd.)

Sewer Lateral	S-2
Sewer Lateral Connection Options	S-3
Sanitary Sewer Manhole (Pipe Sizes 6" to 36")	S-4
Drop Manhole	S-5
Standard Manhole Frame & Cover	S-6

STORM DRAIN SECTION

General Notes	SD-I
General Notes	SD-II
Storm Drain Manhole (Pipe Sizes 15" to 42")	SD-1
Storm Drain Manhole (Pipe Sizes 48" to 72")	SD-2
Ditch Inlet	SD-3
Drop Inlet	SD-4
Curb Inlet	SD-5
Hood, Frame, and Grate	SD-6
Pre-Cast Base (Gallery System Curb Inlet)	SD-7
Hood (Gallery System Curb Inlet)	SD-8
Fiberglass Gallery (Gallery System Curb Inlet)	SD-9
"Through the Curb" Drain	SD-10

LANDSCAPE SECTION

Irrigation and Trench Drain Line Trench	L-1
High Pop-Up Shrub Head	L-2
Turf Rotor Pop-Up Riser	L-3
6" Pop-Up Spray Head	L-4
Hose Bibb Valve (Below Ground Installation)	L-5
Hose Bibb Valve (Above Ground Installation)	L-6
1" Quick Coupling Valve	L-7
Gate Valve	L-8
Remote Control Valve (without Quick Coupling Valve)	L-9
Reduced Pressure Backflow Preventer (1" to 2" with Single-Swing Hinged Enclosure)	L-10
Reduced Pressure Backflow Preventer (2 1/2" to 4" with Double-Swing Hinged Enclosure)	L-11
Landscape Backflow Preventer Legend and Notes	L-12
Thrust Blocks for Plastic Pipes	L-13
Valve Box Location	L-14
Standard Tree Planting & Staking (with Bubbler Irrigation)	L-15
Standard Tree Planting & Staking (without Irrigation)	L-16
Shrub Planting	L-17
Prohibited Tree List	L-18
Approved Trees and Ground Covers	L-19
Irrigation Controller (Pedestal Mount)	L-20
Irrigation Controller (Wall Mount)	L-21

TITLE**PAGE****LANDSCAPE SECTION (Cont'd.)**

Charcoal Receptacle	L-22
Waste Receptacle	L-23
Contour Bench	L-24
Picnic Table	L-25
P.C.C. Walkway (New Walk to Existing Transition)	L-26
Decomposed Granite Paving	L-27

ELECTRICAL SECTION

General Notes	E-I
General Notes	E-II
Service Connection Diagram	E-1
Electrolier Location – Attached Sidewalk with Sidewalk Meander (Including Detached Sidewalk, & Commercial Sidewalk)	E-2
Electrolier Location – Attached Sidewalk without Sidewalk Meander	E-3
Concrete Pullbox (Non-Traffic)	E-4
Concrete Pullbox (Traffic)	E-5
Concrete Pullbox Details and Dimensions	E-6
Concrete Pullbox Notes	E-7
Underground Streetlight 120V Service Connection	E-8
Underground Streetlight 240V Service Connection	E-9
Streetlight – Branch Circuit Pullbox	E-10
Electrolier & Base	E-11
Decorative Street Light	E-12
Electrolier Service Connection	E-13
Typical Luminaire	E-14
Conductor Splicing Spring Connectors	E-15
Fused Splice Connectors	E-16
Electrolier Spacing	E-17
Pole Numbering (for Traffic Signal Poles and Electroliers)	E-18

UNDERGROUND SECTION

Trench Bedding	U-1
Trench Restoration / Backfill (for Trench Widths Less than 18”)	U-2
Trench Restoration / Backfill (for Trench Widths Greater than 18”)	U-3
