#18 Youth Programs

Young person spends 3+ hours per week in sports, clubs, or organizations at school and/or in the community

- Ask your school or community center for a list of after-school activities. Discuss options with your youth and get them involved
- Model having a “extracurricular activity” yourself. If they have time, parents should also have hobbies or activities that they do outside of a job and/or home
- Set aside an arts area in your home, show your youth art that you’ve done and show him/her your interest. Doing so may inspire your youth.
