March 10, 2017

Dear San Martin Neighbor:

On January 8<sup>th</sup> and on February 20<sup>th</sup>, 2017 a sewer spill occurred at 12690 Harding Ave in San Martin. Wastewater from the spill entered the West Branch of Llagas Creek and flowed south through the San Martin area. The City was unable to contact all the affected property owners/residents in a timely manner and would like to remedy that situation going forward should any future events occur.

You are receiving this letter because your property has been identified as one that could be affected if a sewer spill occurs in the future. The City commits to keeping you informed about any situations that would result from the City's sewer line or from City activities in your area.

We respectfully request you provide us contact information so that you can be notified on short notice if necessary. We believe the best and quickest method is to reach you by e-mail and ask that you sign up to receive those emails at the following link <http://bit.ly/2mD10NM>

If you choose a phone call, we request that you send us your phone number. Please keep in mind that it may be necessary to reach you in the middle of the night if you choose to be on this contact list.

If you have questions or concerns regarding communication and notification, please feel free to reach out directly to:

Maureen Tobin, Communications and Engagement Manager  
City of Morgan Hill  
Phone: 408.310.4706  
Email: [maureen.tobin@morganhill.ca.gov](mailto:maureen.tobin@morganhill.ca.gov)

We look forward to improved communications with our San Martin Neighbors going forward.

Sincerely,

Karl Bjarke, Director of Engineering and Utilities  
City of Morgan Hill  
408.776.7332
