

Freecycling

Where one person's trash is another's treasure!

"Got stuff to give away?"

Do you have useful things that you don't need anymore that you are willing to give to other people who do have a use for them? Sign-up for the "Morgan Hill Freecycle" or "Gilroy Freecycle" groups and promote the three R's (Reduce, Reuse, and Recycle)!

Reduce waste by connecting people who are throwing away unwanted items with others seeking the same items.

No item is too big or too small, but since this is a **FREEcycle** list, **ALL** items posted must be 100% free.

Freecycling is Pretty Simple

- Go to www.trashnothing.com and click "Join Now" to sign up.
- Click "Find Your Local Groups" and mark the "Freecycle" Groups that you want to join.
- Post your unwanted items and they will be sent to group members in the "Trash Nothing Daily Digest".
- Group members interested in your item will contact you privately and you arrange a time and place for them to come and pick up your item.
- You let everyone on your local group know that the item is no longer available by sending a 'Taken' post to the group.
- You've given away your item with little effort to someone who can use it, met someone new from your community and kept something out of the landfill. Great for you and the planet!

It's free, it's easy, it's fun and it keeps your unwanted items out of the landfill!
