Callback Pay is paid at a two (2) hour minimum at the employee's Overtime Pay hourly rate. When overtime worked is contiguous to a regular shift, either preceding or afterwards, it is a "Shift Extension" and shall be compensated at the normal Overtime Pay rate for completed fifteen (15) minute increments worked.

Effective December 24, 2023 employees shall receive a monthly stipend of three hundred dollars (\$300.00).

(b) The certification process shall be completed by a provider contracted by Human Resources or three (3) person panel established by Human Resources to determine conversational competence. Section 5.29 Court Pay

Section 5.30 "Court Pay" is any court assignment worked which is not contiguous with a regular shift. Court Pay is paid at a four (4) hour minimum at the employee's Overtime Pay hourly rate.

(a) The minimum an employee can receive for a court appearance cannot cause the employee to receive a rate of pay which overlaps into their regular shift. The time between the start of the court appearance and the start of the scheduled shift shall be paid as governed under the Department's Policy Manual Section 1038, which is hereby incorporated by this reference and the employee will be required to report to work. The same overlap rule applies for a court appearance which begins within thirty (30) minutes of the end of a regular shift.

(b) Employees shall be compensated for travel time. "Travel Time" is any time in excess of the time the employee spends going to and from a court appearance. If the sum of the Travel Time and the court appearance does not exceed the four (4) hour minimum paid for court appearances or if the time overlaps into the employee's regular shift, no additional Overtime Pay will be paid. Normal commute is defined as the time necessary for an employee to travel from their residence to the Police Station based on the distance and prevailing commuter speeds and congestion.

- (c) Employees are not required to drive a City vehicle to court but may be provided a City vehicle for out-of-County travel, if available. Employees will be reimbursed at the current IRS rate for use of their personal vehicle when making in-County or out-of-County court appearances.
- (d) Except as provided herein, employees receiving Court Pay shall not receive reimbursement for meals nor overtime pay for court meal recesses. Employees held over through a court lunch recess, but then released from court immediately following the recess, shall receive Overtime Pay for the lunch recess not to exceed one (1) hour.
- (e) Only one (1) four (4) hour minimum compensation for an off-duty court appearance will be paid per day. If additional off duty court appearances are required beyond the time covered by the four (4) hour minimum, the employee shall be paid at the Overtime Pay rate for actual hours worked as governed by Policy Manual Section 1038.

Section 5.31 Court Stand By Pay

Section 5.32 "Court Stand By" is defined as time in which the off-duty activity of an employee is restricted due to the inevitability of said employee having to respond to court within the succeeding twenty-four (24) hours

- (a) In the event that employees are assigned by the Chief or his/her designate to remain on call for the purposes of Court Stand By, the employee shall receive one quarter (1/4) straight time pay for every hour on standby with a two (2) hour minimum and an eight (8) hour maximum per court day.
- (b) The Chief or his/her designate shall be responsible for informing appropriate court officials of the above stated Court Stand By procedure and any conflicts resulting from the procedure.

Section 5.33 Rest Period Between Shifts

Section 5.34 Employees who are assigned to and actually work more than four (4) hours between two (2) regularly scheduled twelve (12) hour patrol shifts shall be entitled to an eight (8) hour rest period between said shifts. The eight (8) hour rest period may not necessarily consist of eight (8) consecutive hours, depending upon the circumstances. If any portion of the eight (8) hour rest period occurs during the employee's regularly scheduled twelve (12) hour shift, the employee shall receive normal compensation for that time.

For example, a Police Officer goes off duty at 7:00 a.m. and is subpoenaed to court at 8:00 a.m. The Police Officer remains in court until 3:00 p.m. and is scheduled to return to work at 7:00 p.m. In this case, the Police Officer could return to work at 10:00 p.m. without loss of hours or the need to use accrued time off for the three (3) hour period of the regular work shift.

- (a) The employee is responsible to contact the on-duty Watch Commander to request this rest period as soon as he or she is aware that it will be required so that ample time is available to arrange for replacement officers if necessary.
- (b) The on-duty Watch Commander may exercise discretion as to the exact time the employee must report back to work, based on individual circumstances and operational needs, so long as it complies with the intent of this section.
- (c) This section shall not apply to voluntary overtime work assignments between shifts which are worked at the option of the individual employee.
- (d) This section shall not apply in emergencies such as mutual aid mobilizations or natural disasters.

Section 5.35 Overtime Pay and Compensatory Time

Section 5.36 The City has established a 14 day / 86-hour Section 207(k) work period for purposes of Fair Labor Standards Act (FLSA) overtime hours. The established work period begins at 12:01 a.m. every other Sunday and ends every other Saturday, fourteen (14) days later at 12:00 midnight.

Section 5.37 MOU “Overtime Pay” and / Compensatory Time (“Comp Time”) are for hours worked outside an employee’s regular work schedule, and are paid at one-and-a-half (1.5) times an employee’s FLSA regular rate of pay. Overtime Pay and Comp Time shall be calculated on a minimum of fifteen (15) minute increments actually worked outside of the employee’s regular work shift. For clarification, this equates to 15-29 minutes = 15 minutes of overtime pay, 30 – 44 minutes = 30 minutes of overtime pay and so on. All such time must be approved in advance with the employee’s supervisor or the Chief.

Section 5.38 Employees will have the option of receiving either Overtime Pay or Comp Time. The Comp Time accrual limit for the term of this MOU is one hundred eighty (180) hours. Comp Time will be cashed out at the FLSA regular rate at time of separation. Comp Time may also be cashed out at the FLSA regular rate each calendar year via an irrevocable cash out election form to the extent and in manner provided in section 7.08.

Section 5.39 Employees may elect to contribute via payroll deduction to the City’s Deferred Compensation Plans. Employee contributions can be lump sum contributions or percentage of base wages contributions. Employees must submit a completed “Deferred Compensation Enrollment/Change Form” to the Human Resources Office for changes in their deferred compensation contributions. Changes shall be effective the second full pay period following receipt by Human Resources of the applicable Deferred Compensation Enrollment/Change Form.

Section 5.40 Employees who are scheduled to work special events and/or dates that are blocked off by the Chief for preferred vacation, will be paid at two (2) times an employee’s FLSA regular rate of pay for any overtime hours worked.

Section 5.41 In- House Department Training

Section 5.42 When a Department in-house training falls on an employee’s scheduled day off and the employee attends the training, the affected employee will have the option of receiving Comp Time, if eligible, or pay if Comp Time is at 180 hours, for the training time or, upon approval by the employee’s supervisor, the employee may schedule adjust. “Schedule Adjust” is defined as the act of taking the equivalent number of hours off within the same pay period.

Section 5.43 All schedule requests must be approved in advance by the employee’s supervisor.

Section 5.44 Outside Department Training

Section 5.45 When an outside Department training falls on an employee’s day off and the employee attends the training, the affected employee will Schedule Adjust. If the Department is not able to make a schedule adjustment, the employee may take Comp Time or receive Overtime Pay.

Section 5.46 All provisions included in this MOU which affect base wages, including salary, promotions, step increases, etc., shall be implemented beginning the first full pay period following the effective date of this MOU.

Section 5.47 Base Work Schedules

Section 5.48 Employees will work schedules based upon assignment as follows:

- (a) The "Work Day", for pay purposes, shall be a twenty-four (24) hour period within which the employee's regularly scheduled shift begins.
- (b) Employees assigned to the Patrol Division will work an approved flexible schedule of five (5) twelve (12) hour Work Days and two (2) ten (10) hour Work Days totaling no more than eighty (80) hours per pay period.

The schedule shall be the traditional 4/10 schedule, meaning four (4) ten (10) hour days with three (3) consecutive days off each week.
- (d) School Resource Officers shall work a traditional 9/80 schedule which consists of five (5) nine (9) hour days one (1) week and four (4) nine (9) hour days on the alternate week or a 4/10 schedule which consists of four (4) ten (10) hour days depending on department needs.
- (e) Employees assigned to Task Forces to work in conjunction with other government agencies shall work schedules which are compatible with the joint needs of the Department and the other agency, not to exceed eighty (80) hours in each pay period.
- (f) Specialty Pay Assignments are limited to a two (2) year assignment with two (2) one (1) year renewals based on the approval of the Special Operations Division Captain. Field Training Officer assignments shall be a two (2) year assignment, which assignment may be extended each year for one year based on the approval of the Special Operations Captain.
- (g) Employees assigned to any other Special Assignment that do not fall into any of the assignments listed in 5.47 (b) through 5.47 (f) will work an approved flexible schedule totaling no more than eighty (80) hours per pay period.
- (h) Employees on extended leave (excluding vacation and Comp Time) of two (2) weeks or more will be assigned a base forty (40) hour per week, Monday through Friday, 8:00 a.m. to 5:00 p.m. work schedule. For such individuals who are on Workers Compensation or 4850 leave, the schedule reassignment will not affect compensation.
- (i) The Chief retains the right to make any special exceptions to the above schedules. If at any time it becomes evident to the Chief that the most efficient use of staffing to meet the workload demands of the community are not being met, the Chief reserves the right to modify work schedules on a temporary or permanent basis. The City will attempt to give the affected employees as much notice as possible, but at least five (5) full calendar days prior to the effective date of any temporary schedule change.

Employees may "float" over this maximum accrual during the fiscal year but will lose any accumulated Vacation Time over the equivalent of two (2) years' annual accrual effective pay period including June 30 of each year.

- (k) If a vacation is canceled due to 7.23 below, employees will not lose any accrued Vacation Time. However, employees will be required to reschedule the Vacation Time in a reasonable period of time in accordance with Sections 7.23 and 7.25 below.

Section 7.09 An employee may submit an Irrevocable Cash-Out Declaration Form to cash out up to eighty (80) hours of accrued vacation and/or comp time in the following calendar year. To be effective, the Form must be received by payroll no later than December 15th of the year prior to the calendar year in which the employee wishes to cash-out vacation and/or comp time. It is understood that an employee using vacation or

comp time shall always use vacation or comp time earned in prior years first before using vacation or comp time earned in the current year.

Section 7.10 The employee shall specify the pay period in the following calendar year in which the employee wishes the cash-out to occur. If no pay period is specified, the City shall process and pay the cash-out request in the pay period including November 1st. Employees are responsible for ensuring a sufficient balance of available accrued vacation and/or comp time on the date of the requested cash-out. Accrued comp time shall be cashed out first and then accrued vacation once an accrued comp balance is exhausted. If there is an insufficient balance, the maximum available up to eighty (80) hours will be cashed out.

Section 7.11 As part of the City's open enrollment packet each year, the City will provide all employees with a copy of the Irrevocable Cash-Out Declaration form and a reminder of the for submission of the Form.

Section 7.13 Approved Vacation Time and/or Comp Time will not be canceled unless there is an unforeseen and/or urgent staffing need. - (a) Sergeant or Watch Commander is responsible for approving vacation time off requests that fall on their shift rotation.
- (b) Division Captain is responsible for approving vacation time off requests that fall outside of the officers current shift rotation.

Section 7.14 If an employee signs up for enough preferred vacation to bring them below the vacation accrual limit by June 30th, City cancels the employee's preferred vacation, and the employee is unable to reschedule in the current fiscal year, causing them to be above the limit on June 30th, City will cash out the Vacation Time to bring the employee in compliance with the limit or, at the employee's option, the Vacation Time will be rescheduled within sixty (60) days, subject to departmental approval and Preferred Vacation Sign- Up Rules, as defined in Section 9.23.

If a determination is subsequently made by City that the leave taken was for a job related illness or injury, all sick leave, comp time, and vacation time used to cover the leave will be credited back to the employee in an amount up to the worker's compensation determination. Employees without accrued/credited time off will be coded on payroll as "absent without pay."

Section 7.17 City and Association acknowledge that City has the authority, in its discretion, to place employees on paid administrative leave in appropriate circumstances. Examples include investigations, waiting periods for disciplinary hearings of use of weapons, etc.

Effective December 21, 2025 through pay period ending June 20, 2026 and effective pay period including July 1, 2028 through pay period including December 31, 2028 employees will be granted 20 prorated hours.

Section 7.20 Bereavement Leave

Section 7.21 Employees shall, per occurrence, be granted Bereavement Leave when a death occurs in the employee's immediate family. For the purpose of this section, "immediate family" is defined as father, mother, brother, sister, spouse, natural child or legally adopted child, step-child, in-laws, grandparents, and grandchildren. Employees are granted up to five (5) days of bereavement leave. Up to three (3) days of Bereavement Leave shall be paid when the death and service are within the State of California and the other two (2) days would need to be supplemented with other leave time. Up to five (5) days are paid when the death or service is outside the State. Bereavement Leave usage shall not be charged against the employee's Sick Leave or Vacation Time. Employees may also use up to two (2) additional days of Sick Leave to supplement their allotted Bereavement Leave if other circumstances require absence during that time.

Section 7.22 Requests for additional Bereavement Leave beyond the allotted three (3) or five (5) days, shall be subject to the approval of the employee's Division Captain and deducted from the employee's accumulated Comp Time, Personal Leave, or Vacation Time. Accrued Sick Leave may also be used for the employee's medical and dental appointments where it is not feasible for the employee to schedule the appointment on the employee's own time. Upon expiration of the approved Leave, the employee shall be reinstated to her former position or to a comparable one if her former position is abolished during the period of leave and the employee would otherwise not have been laid off. Prior to the employee being reinstated, the Chief may require a statement from the employee's attending physician that the employee is physically capable of resuming the regular duties of her position.

Section 7.28 Where the Chief believes that the employee should be placed on leave sooner than prescribed by her physician due to her inability to perform the regular duties of her position or for the protection of the employees' personal health and safety, the Chief, with the concurrence of the City Manager, shall direct the employee to be examined by a second physician. The cost of this examination shall be paid by City.

The Chief, with the prior approval of the City Manager, may extend the Leave for an additional one hundred and twenty (120) days.

Article VIII. MISCELLANEOUS BENEFITS

Section 8.01 Retirement/Pension

(a) Sworn/Public Safety Employees

- (i) For employees hired on or before January 1, 2013 ("Classic Employees") as defined in Government Code Section 7522.02(c) of the Public Employees' Pension Reform Act of 2013 ("PEPRA") and employees hired after January 1, 2013 that do not meet the definition of "New Members" under PEPRA, City agrees to continue its Safety contract with CalPERS to provide the single highest year and the "3% @ 50" basic retirement formula, that was in effect as of July 1, 2007.
- (ii) For employees hired on or after January 2, 2013 ("New Members") as defined in Government Code Section 7522.04(f) of PEPRA, City agrees to continue its Safety contract with CalPERS to provide for the three (3) highest years compensation average and the "2.7% @ 57" retirement formula.
- (iii) Safety (sworn) PEPRA employees: Beginning with CalPERS rates effective July 1, 2013, at which time the PEPRA rate was 23.0%, the PEPRA employees' obligation was 11.50% and the City's obligation was 11.50%, the City and Association agreed that safety (sworn) PEPRA employees would not pay less than 11.50% and would split future increases to the PEPRA rates, including both the normal cost and any unfunded actuarial liability, above 23.0% at a 50/50 ratio. For example, the overall CalPERS safety PEPRA obligation was 22.65% in FY 15-16 with the PEPRA employees' obligation still at 11.50% and the City's obligation at 11.15%. On July 1, 2016, the effective PEPRA rate increased to 23.62% for FY 16-17. Therefore, City paid half of the 0.62% increase over the base year PEPRA cost of 23.00% (equal to 0.31%) and safety PEPRA employees paid the other half (also equal to 0.31%). This methodology will be used in subsequent years should CalPERS increase the PEPRA Safety rates. This methodology has been used in each year subsequent to FY 2016-17 and will be used in future years should CalPERS increase the Safety PEPRA contribution rates. Effective July 1, 2023, Safety (sworn) PEPRA employees will share the employer's CalPERS contribution rate at 1.02%. Effective July 1, 2024, Safety (sworn) PEPRA employees will share the employer's CalPERS contribution rate at 1.607%.
- (iv) Safety (sworn) Classic Employees: Safety (sworn) classic employees shall contribute, in addition to the employee classic CalPERS rate of 9.0%, an additional 6.12% towards the classic employer CalPERS contribution rate (i.e. the total safety (sworn) classic employee contribution obligation shall be 15.12%, (9.00% employee share + 6.12% of the employer share). As soon as administratively feasible, pursuant to Government Code section 20516, the City shall amend its contract with the CalPERS to convert the additional sworn employee contribution of 6.12% to the employee share.
- (v) Effective December 21, 2025, Safety (sworn) Classic employee's contribution towards employer share of the cost will reduce by 1.76% and Safety (sworn) PEPRA employee's share of the cost will be eliminated.

(b) Non-Sworn/Miscellaneous Employees

- (i) For non-sworn employees hired on or before January 1, 2013 ("Classic Employees") as defined in Government Code section 7522.02(c) of the Public Employees' Pension Reform Act ("PEPRA") and employees hired after January 1, 2013 that do not meet the definition of "New Members" under PEPRA, City agrees to continue its miscellaneous contract with CalPERS for all applicable retirement benefits in effect on July 1, 2007 which will provide the single highest year and the "2.5% @ 55" basic retirement formula.
- (ii) For non-sworn employees that are considered "New Members," as defined in Government Code section 7522.04(f) of PEPRA, hired on or after January 1, 2013, the miscellaneous contract will provide for the three (3) highest years compensation average and the "2.0% @ 62" retirement formula.
- (iii) The City's CalPERS employer contribution rate for miscellaneous employees is "blended" and factors both "Classic" and "PEPRA" employees. The City and Association agreed that, beginning with CalPERS rates effective July 1, 2014, the City and miscellaneous employees would split future increases to the City's employer contribution rate at a fifty/fifty (50/50) ratio. For example, for miscellaneous employees in FY 13-14, the City's contribution rate was 16.38%, the classic miscellaneous employee contribution rate was 8.0% and the PEPRA employees' rate/obligation was 6.25% (which was 50% of the normal cost at that time). On July 1, 2014, the City's contribution rate for miscellaneous employees increased to 18.50%. Thus, starting in July 2014, miscellaneous employees started contributing fifty percent (50%) of the increase to the employer contribution rate, i.e. $(18.50\% - 16.38\%) = 2.12\% / 2 = 1.06\%$. Accordingly, for FY2014-15, classic miscellaneous employees' obligation increased from 8.0% to 9.06% and PEPRA miscellaneous employees' obligation increased from 6.25% to 7.31%. This methodology has been used in each subsequent year to FY 2015-16 and will be used in future years should CalPERS increase the miscellaneous contribution rate.

The City will continue to offer the CalPERS "2.5% @ 55" retirement program for "Classic Employees." The retirement plan shall continue all present options for "Classic Employees" including Credit for Unused Sick Leave (Government Code § 20965), the Fourth Level of 1959 Survivor Benefit (Government Code § 21574), Two Years Additional Service Credit (Government Code § 20903), and the One-Year Final Compensation (Government Code § 20042). The employee's base salary includes the eight percent (8%) CalPERS employee contribution and will be deducted from the employee's gross earnings pursuant to IRS § 414 (h)(2). Two dollars (\$2.00) per month will be deducted from employees' paychecks pursuant to the 1959 Survivor Benefit (ninety three cents (\$0.93) per pay period). Any provision above may not conflict with the terms and conditions in Government Code § 7522.02(c).

- (iv) Effective July 1, 2022, non-sworn Union Members will share the employer's CalPERS contribution rate at 6.12%. The employee's contribution towards employer's share of pension cost will be capped at 6.12%. The City and Union members agree to split any rate decrease below the FY 2022-23 employer's CalPERS contribution rate of 28.77% at a 50/50 ratio.
- (v) Effective December 21, 2025, Classic and PEPRA employee's contribution towards employer share of the cost will reduce by 1.76%

Section 8.02 Long Term Disability Insurance shall be paid by employees through payroll deduction.

Section 8.03 City will provide reimbursement for traveling, lodging, and meal expenditures incurred by employees traveling on City business in accordance with existing Policies and Procedures. Overtime Pay will be paid for travel time, other than court time, if it is beyond the established work week.

Section 8.04 Employees may be entitled to three (3) fifteen (15) minute breaks and one (1) forty-five (45) minute break during each twelve (12) hour shift. Employees working less than a twelve (12) hour shift shall be entitled to two (2) fifteen (15) minute breaks and one (1) thirty (30) minute break during the shift. Employees may request to take the fifteen (15) minute breaks in conjunction with the forty-five (45) minute break, workload permitting, at the discretion of the on-duty Watch Commander.

Section 8.05 Employees are responsible for the employees' nine percent (9%) CalPERS contribution deferred from federal and state income taxes pursuant to IRS Section 414(h)(2).

Section 8.06 Gym Equipment

Section 8.07 City agrees to maintain the existing gym equipment in the Police Station for the term of this MOU.

Section 8.08 Hepatitis B Vaccinations

Section 8.09 City agrees to provide Hepatitis-B shots for employees.

- (a) If the employee selects a medical plan which provides this benefit, the employee in these classifications must get the shots through their medical plan.
- (b) If not covered by their group medical plan, employees wishing to receive the Hepatitis-B shots must submit a written request to the Human Resources Office. The Human Resources Office will contact the medical office currently being used for City medical examinations to set up the first appointment.
- (c) Charges for Hepatitis-B shots for these employees pursuant to 8.09(b) above will be paid by City.

Article IX. MISCELLANEOUS POLICIES AND PROCEDURES

Section 9.01 The Parties to this MOU recognize and acknowledge that the services performed by the employees are essential to the public health, safety, and general welfare of the residents of City.

Section 9.02 Watch Swaps

Section 9.03 A "Watch Swap" is a voluntary agreement between two employees of similar rank to trade a specific and equal number of work shifts. When one employee agrees to work for another, the second employee must reciprocate by working an equal amount of time for the first employee. When a trade is agreed upon and reciprocated, both involved Employees will have accounted for two thousand eighty (2080) base work hours per year.

Section 9.04 Employees may negotiate Watch Swaps among other Employees provided that:

- (a) The involved employees complete the "Watch Swap Request" at the bottom of the "Overtime Form" at least one (1) working day prior to the Watch Swap;
- (b) The on-duty Watch Commander for the affected shift approves the request;
- (c) The trade is among members of a similar rank. Police Officers may negotiate a Watch Swap with Police Officers and Corporals, Corporals may negotiate a Watch Swap with any rank, and Sergeants may negotiate a Watch Swap with Sergeants and Corporals.

(d) The regularly scheduled employee shall code his/her time sheet as if he/she had worked.

Section 9.05 The Reverse Portion of the Watch Swap may occur at any time at the employee's direction, provided that the steps listed above are also followed for the reverse portion of the Watch Swap. The Reverse Portion of the Watch Swap is the sole responsibility of the two involved employees. No employee shall have any recourse with the Department for failure to pay back a shift or for working in excess of eighty (80) hours per pay period without Overtime Pay in which a Watch Swap was negotiated.

Section 9.06 Watch Swaps are intended to be a convenience for the regularly scheduled employee and it is the sole responsibility of the regularly scheduled employee to ensure that his/her replacement reports to work. If for any reason the replacement employee fails to appear for duty, the regularly scheduled employee will be ordered back to work or, if that is not possible, will be considered to have taken the day off without pay. Since Watch Swaps are usually the result of inadequate staffing to allow that employee to take time off by other means, the regularly scheduled employee may not account for the missing time by use of Sick Leave, Comp Time, or the like.

Section 9.07 The on-duty Watch Commander shall not approve a Watch Swap for the purposes of allowing the regularly scheduled employee to work an overtime assignment the same day. The Watch Commander may disapprove Watch Swap requests due to operational needs, including days on which there are planned special events that require maximum available staffing, etc.

Section 9.08 The Chief may evaluate this process from time to time and may suspend this process if it becomes apparent that employees are failing to honor Watch Swap commitments.

Section 9.09 Work Stoppage, Any Job Action, Slowdown

Section 9.10 Association agrees that, under no circumstances, will it recommend, encourage, or cause a work stoppage, any job action, or slowdown in any office or department of City or curtail any work, restrict any production, or interfere with any operation of City. In the event any such work stoppage, job action, or slowdown is instigated by Association, City shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until said work stoppage has ceased.

Section 9.11 In the event of any work stoppage during the term of this MOU, whether by Association or by any employee, Association by its Association Officers shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized and further direct its employees in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon City. If, in the event of any work stoppage, job action, or slowdown, Association promptly and in good faith performs the obligations of this Section 9.09, provided Association has not otherwise authorized, permitted, or encouraged such work stoppage, Association shall not be liable for any damages caused by the violation of this Section 9.09.

Section 9.12 City shall not be liable for any damages caused by the violation of this Section 9.09. City shall have the right to discipline, including termination, any employee who instigates, participates in, or gives leadership to any work stoppage activity herein prohibited. City shall also have the right to seek full legal redress, including damages, against any such employee.

Section 9.13 Light Duty Assignment

Section 9.14 In the event an employee is injured and may be able to return to work but not able to perform all their normal duty assignments, a temporary "Light Duty Assignment" may be made by City for each injury, provided that a suitable Light Duty Assignment is available within the Department. To be eligible for such a Light Duty Assignment, City may require the employees to provide the Human Resources Office with a medical

statement from his/her treating physician that clearly states the medical limitations and abilities of the employee. City may require a second or third doctor's determination at City's expense. No initial or subsequent light duty assignment may exceed ninety (90) days, and all light duty assignments will be evaluated and may not be extended without approval of the Police Chief or Police Chief's designee.

Section 9.15 An employee receiving such a Light Duty Assignment could be reassigned to any type of forty (40) hour work week or reduced work schedule and may be assigned to any type of job or task consistent with the Light Duty limitations upon the determination of the Chief. Once the employee is certified by City doctor as no longer in need of a Light Duty Assignment, the employee will be reassigned to their normal work.

Section 9.16 In the event an employee is injured and unable to return to work for a specific period of time and is on City-approved leave, the employee is required to (1) respond by phone within eight (8) hours upon receiving a call from Human Resources or Division Captain and (2) to inform Human Resources and Division Captain if the employee will be away from their primary residence for a duration exceeding seven (7) calendar days.

Section 9.17 Substance Abuse Policy

Section 9.18 City and Association mutually agree City will maintain a drug-free workplace. Alcohol and drug abuse on the job will not be tolerated and will result in immediate disciplinary action. Drug or alcohol abuse off the job, which can be shown to affect the job performance or safety of the employee or other employees, will be documented and will result in quick disciplinary action up to and including termination. City cannot and will not put its employees or members of the general public in danger by having employed an employee on duty who may be a risk to themselves or others.

Section 9.19 City does not intend to test any employees for drug use unless a documented reasonable suspicion exists. City agrees to be bound by applicable State and Federal Laws.

Section 9.20 Association and City recognize the need for a drug-free workplace and the need to assist employees whose job performance is impaired due to chemical or alcohol dependency. Association and City agree to abide by the Substance Abuse Policy dated May 3, 2006, as adopted by the City Council, and incorporated herein by this reference.

Section 9.21 Emergency Waiver Provision

Section 9.22 In the event of circumstances beyond the control of City such as acts of God, fire, flood, insurrection, civil disorder, national emergency, or similar circumstances, the provisions of this MOU which restrict City's ability to respond to these emergencies shall be suspended for the duration of such emergency. After the emergency is over, Association shall have the right to meet with City regarding the impact of the suspension of these provisions in the MOU on employees.

Section 9.23 Preferred Vacation Sign-up and Shift Selection

Section 9.24 The sign-up period for preferred vacation shall occur following the first shift selection of the calendar year. There will be one (1) sign-up period for the Patrol Division and one (1) sign-up for the Special Operations Division.

- (a) Each employee may sign up for only one (1) preferred vacation period of thirty-four to forty-six (34-46) hours.
- (b) The employee may request additional time off through the chain of command for special occasions to include but not limited to reservations for cruises, planes, weddings, etc. The Division Captain may approve additional non-revocable time off after considering department wide staffing availability. Employees must utilize accrued vacation prior to utilizing accrued compensatory time off

for preferred vacation. Employees may not request more than two (2) Division Captain exceptions during the calendar year.

- The language in section (b) is meant to be a pilot program and reviewed yearly during this contract evaluating reasons for denial, operational impacts, and number of requests.

(c) A maximum of two (2) employees assigned to the Patrol Division may request preferred vacation during the same week, provided the employee with the least seniority must select a patrol shift slot with different days off from the senior employee for the shift rotation period during which the vacation will occur. One (1) employee assigned to Special Operations may take preferred vacation at the same time. There will be two separate vacation sign-up forms one for each division. If the employee assigned to Special Operations is projected to return to the Patrol Division during their forecasted preferred vacation, the employee must sign up under the Patrol Division sign-ups.

(d) One (1) Multi Service Officer (MSO) assigned to the Patrol division may request preferred vacation at any given time. Preferred vacation sign-ups for MSOs will be based on seniority amongst the MSOs.

(e) Preferred vacations which are in compliance with subsections A, B and C above will be approved and posted, following the sign-up period.

(f) An employee who fails to request a preferred vacation or who does not take a preferred vacation which has been approved shall lose any right to a preferred vacation until the next sign-up period.

(g) Every employee shall be included in the sign-up for the preferred vacation schedule.

Section 9.25 The sign-up period for shift selection begins at least forty-five (45) days prior to the next shift rotation. Employees shall select shifts for a six (6) month period, beginning the start of the first pay period in January and July. The approved schedule will be posted at least twenty (20) days prior to the date the schedule is to become effective.

(a) The Field Operations Division Captain may elect to administratively assign an employee to a specific shift for the good of the Department. Examples may include, but are not limited to, long-term personnel shortage or career enhancement of probationary employees.

(b) The Patrol Captain may assign probationary employees to a specific watch based on need of the employee and operational necessity during period.

Section 9.26 Sign-up Procedures (All Employees)

Section 9.27 At least forty five (45) days prior to the end of shift, every employee assigned to the Patrol Division, or who has been issued an order assigning them to the Patrol Division, will be assigned a sign-up due date and time in one (1) hour segments for purposes of selecting their desired shift. The bid process will take place during normal business hours (8:00a.m. – 5p.m.) Monday through Friday. Preferred vacation will be bid after the completion of the shift bid and cover the same period of time.

Section 9.28 Qualification to Bid

Section 9.29 All personnel are considered qualified to bid if the following conditions are met:

1. Must be a full duty worker and off training by shift change. For those classified as a modified worker (personnel with any type of work restriction or on any type of leave of absence), the Captain must receive notice and/or medical clearance stating a definite return to duty date (tentative return to duty dates do not satisfy this requirement), if applicable, three business days before the shift bids

are distributed. Once the shifts are posted, the Captain must be notified immediately of any changes to an employee's full duty work status that occurs before the time of the actual bid.

2. Those on a FMLA leave of absence or those on a 4850 leave of absence at shift bid who have a definite return date of 60 days or less
3. Other leave of absences will be reviewed on a case by case basis
4. Exceptions to this policy will be reviewed and decided upon by the Captain on a case by case basis

Section 9.30 Each affected employee is solely responsible for preferred vacation or shift selection sign-up on their assigned date and time. The employee may sign-up using one (1) of five (5) methods:

- (a) The employee may come to the Police Station and physically sign-up for an available vacation or shift slot; or
- (b) The employee may contact the Administrative Sergeant or designee and select an available vacation or shift slot; or
- (c) The employee may leave a message for the Administrative Sergeant in advance of the assigned sign-up date, listing desired shift selection(s) and a phone number/ email where the employee can be reached on the sign-up date and time in order to resolve any conflicts; or
- (d) The employee may designate another employee in advance of the sign-up period to make a selection on his/her behalf; or
- (e) The employee may notify the Administrative Sergeant in advance that no selection is desired.

Section 9.31 If an employee fails to sign-up within their assigned date and time, that employee will be passed until such a time that the employee makes contact with the Administrative Sergeant either by phone or in person. The employee will then be able to select any remaining shift that is still available. If no request is made, or if a request conflicts with other previous sign-ups, vacations will be approved on a first- come/first-serve basis and shifts will be administratively assigned.

Section 9.32 Sign-ups will be on the employee's own time if the assigned sign-up date and time falls outside of regular work time.

Section 9.33 At least three (3) weeks prior to the beginning of the sign-up period for either a preferred vacation or shift selection, every affected MSO assigned to the Patrol Division, or who has been issued an order assigning them to the Patrol Division, will be assigned a sign-up due date for shift selection.

- (a) Each affected MSO is solely responsible for preferred vacation or shift selection sign-up on their assigned date. They may be done using one (1) of four (4) methods:
 - (i) Coming to the station and physically sign-up for an available vacation or shift slot;
 - (ii) Phoning the Administrative Sergeant and verbally selecting an available vacation or shift slot. If the Administrative Sergeant is not in the office, the MSO is responsible for leaving the Administrative Sergeant a return phone, or pager number where the MSO can be contacted at the Administrative Sergeant's earliest convenience;

- (iii) Leaving a message for the Administrative Sergeant, in advance of the assigned sign-up date, listing desired shift selection(s) and a phone number where the MSO can be reached on the sign-up date in order to resolve any conflicts; or
- (iv) Notifying the Administrative Sergeant in advance that no selection is desired.

Section 9.34 If an MSO fails to sign-up on the assigned date, that MSO forfeits his/her seniority benefit and his/her name will be placed in a pool at the bottom of the list. When the assigned dates have been passed, a preferred vacation or shift selection schedule will be posted. MSOs listed in the pool will have until the end of the sign-up period to submit a request of available slots. For preferred vacations, this period will end on March 1st of each year. For patrol shift selection, this period will end twenty (20) days before the next shift rotation. Requests from MSOs in the pool will be granted on an as-available basis in seniority order. If no request is made or if a request conflicts with other previous sign-ups, vacations will be approved on a first-come/first-serve basis and shifts will be administratively assigned.

Section 9.35 Sign-ups will be on the MSO's own time if the assigned sign-up date falls outside of regular work time.

Section 9.36 Department Seniority

Section 9.37 Department wide seniority shall be used to determine the schedule for vacation selection and seniority within a classification is used for shift selection within Department Divisions. If a conflict between these two (2) methods of establishing seniority arises in the process of shift selection, seniority within a classification shall prevail.

Section 9.42 Practice Firearms Training

In those instances, the ruling shall be submitted to City's City Council for action, which may include modification or reversal.

Section 10.18 The conduct of the Hearing shall be governed by the following ground rules:

- (a) The Hearings shall be convened during regular established City hours to the extent feasible. The grievant and City employees serving on the Panel or whose participation in the Hearing is required by the Panel shall not suffer loss of wages for time devoted to this purpose. If the Hearing takes place during time other than the City employee's regularly scheduled work period, no compensation shall be provided.

The Chairperson has final authority to the rule on procedural matters or on other points affecting the length and conduct of the Hearing. - (a) Failure on the part of the grievant or their Association representative to comply with the time limits of this Grievance Procedure or any extensions thereto shall constitute a withdrawal of the Grievance without further recourse for re-submittal. Failure on the part of City to comply with prescribed time limits or extensions thereto shall result in the Grievance being moved to the next step of the Procedure.
