## How can I find out if I qualify?

You can schedule a 'pre-screening' appointment by calling (408) 926-8885, emailing [info@prevenhomelessness.org](mailto:info@prevenhomelessness.org), or contacting any of the participating agencies listed on the program flyer. The pre-screening includes an interview and questionnaire, and generally takes 1-2 hours to complete. If you meet initial initial requirements, you will be asked to provide documentation confirming your eligibility.

## What type of information will I need to provide?

Required documentation is flexible and may vary depending on your situation. In general, you will be asked to provide IDs for all household members, a lease agreement, income documentation for the past 2 months, and recent bills. If you don't have some of these documents, there may be other options. Any HPS agency can provide more information on specific documentation needs and work with you on your individual situation.

## What if I don't qualify for HPS assistance?

Some agencies may have additional resources available to offer emergency services to households at risk of homelessness. An agency representative will guide you to any other resources that may be helpful in your situation.

## How can I get connected to legal help?

Any HPS agency can refer you to the Law Foundation, who will provide information and determine if you're eligible to receive free legal assistance. You can also call the Law Foundation directly at (408) 280-2424 or visit [lawfoundation.org/housing](http://lawfoundation.org/housing) for more information.
