1. Introductions / Approval of the Agenda
2. 2021 Stormwater Workshop Debrief

How useful was it?

Any thoughts for improvements?

What was done well?

Breakout Sessions – just right? Or too short?

First part was great, 2nd part (Jill great). Overall informative, good presenters, easy to follow.

3. Dog Waste Outreach Campaign

DONE. Only 18 participants in survey. Overall the signage appears to have been helpful. Dog Parks were some of the bigger offenders. Might consider a continuation of the campaign that focuses on Dog Parks. Vandalism started after week 4. Prizes??

Post surveys in MH - does it last?

Leave some signs in and some signs out?

Outreach at Dog Parks

Share Final Numbers with Valley Water.

Prize Pool – County will give swag.

Valley Water will check on swag.

July 16 get prizes out. Swg exchange the week of the 9th.

4. RV Wastewater Disposal Vouchers

I think we are done. What are the next steps? Laminated versus not laminated?

VW is working on a check request to finalize. Elisabeth will laminate. Handoff – Oliva will drop off.

5. New Permit Issuance Update

None, but anybody hear anything?

6. Projects for 2021/2022 Bacteria Reduction Efforts

MH officially moving forward with funding 2 hours per week of a Homeless Outreach Specialist position. Also likely to move forward with a focused in-house sampling program.

County finished IDDE for this fiscal year.

7. Updates on NOVs, Water Board Information Requests, Public Outreach, Grant Opportunities, COVID19 Impacts, Other.

County back July 16

Clean Water Program merging with Recycling and Waste Reduction Division.

Water Board has been present at Gilroy sites lately. Found one site that they may issue an NOV for.

CASQA Quarterly is Thursday July 15 from 10am-3pm. The Construction Permit
