Friday, June 2:	Kinder Learners – Last Day of School and Graduation

An updated schedule will be distributed any time there is a date change.

Special Dates

More detailed information about each celebration will be provided during the weeks prior to the event. Parent participation and involvement is reliant on Covid safety guidelines.

Birthdays: On your child's birthday you are welcome to bring something special for the class to celebrate. We encourage non-food items like pencils, stickers, etc. We would love if you donated a book to the classroom with a special birthday message!

Halloween Parade: Preschoolers may dress up in costume for the day. We will sing a few Halloween songs and then students will parade around the grassy area outdoors to "trick or treat"!

Thanksgiving Celebration: Preschoolers will celebrate the season of "Giving Thanks". Typically celebrated as a class potluck with our families where each family is encouraged to share or bring a dish that is special to your family or cultural background. We will update as the date approaches!

Holiday Party: Preschoolers prepare a holiday gift and will celebrate with a cookie party!

Valentine's Day: Preschoolers may bring Valentines into class on this day. Kinder Learner students are encouraged to use this as an opportunity to practice writing their own names (start early - just do two or three each day!). We'll decorate Valentine boxes in class.

Egg Hunt: We will decorate Easter bags or containers and have an egg hunt on the CCC lawn!

Graduation and Last Day: On this day Kinder Learner students and PM students graduating to Kindergarten will be recognized and receive diplomas. All classes will have a fun end of year celebration. More details as the date approaches.
