To City of Morgan Hill,

This letter is requesting a minor exemption regarding property 1130 Deana Ct. Morgan Hill, CA 95037. The minor exemption would be regarding code case ZONE2020-0283, and it's regarding being able to make fence up to 7' tall. The lot is at a low point and all neighbors are at a heigh elevation and are able to see right into the property. The lot being so large a 6' tall fence feels very short. Making the fence 7' tall would not affect any of the neighbors since their property are higher than 1130 Deanna Ct. If you have any questions please feel free to reach me at (408)603-4061 or email at [jesusmzazueta@hotmail.com](mailto:jesusmzazueta@hotmail.com)
