

# ARPA Funding Report Summary

## November 2022

### **Background Summary**

In March 2021, the American Rescue Plan Act (ARPA) of 2021 was signed into law. The ARPA provided additional funding for state and local governments and was intended to combat the COVID-19 pandemic, including public health and economic impacts. The City of Morgan Hill received one-time funding of \$10.99 million in two tranches as part of the ARPA. The City Council elected to make a portion of this funding available to qualifying nonprofit organizations serving the Morgan Hill community. A combined total of \$100,000 to nine (9) different community organizations was approved. Funding was provided in December of 2021.

### **Completion Reports**

As part of the MOU signed by each organization, a final report was required to be submitted to the City of Morgan Hill by October 3, 2022. This report was to include a summary of the services provided as well as how funds were used and where services were provided. Financial records documenting the use of funding and quantitative data on services provided was required in the final report.

As of November 2022, the City of Morgan Hill has received reports from all organizations that received funding. The reports are attached to this document. A summary is included below for each organization. Two (2) organizations received an extension to the MOU to use the remaining funds to continue their support in the Morgan Hill community.

### **Chabad South County Jewish Center – \$8,190**

Funding was utilized to expand assistance programs and fund new initiatives to serve the community. This included food packages to those in need and outdoor family events.

### **Community Agency for Resources, Advocacy, and Services (CARAS) – \$16,380**

An extension for one-year has been requested and approved by the City Manager to continue this program. As of October 2022, the organization has provided 30 Morgan Hill residents with supportive services, housing needs, and referrals (specific list included in attachment). There is a remaining balance of \$8,510.00.

### **Community Solutions – \$8,190**

Funding was used to assist 7 adults and 1 child with rental assistance to maintain housing, rental deposit and rent to secure housing, and bus tickets for a mom and child to protect their safety.

### **Indian Association of South Santa Clara County (IASC) – \$2,457**

An extension for one-year has been requested and approved by the City Manager to continue this program. As of October 2022, the organization put together supply care packages and food for community members. The ARPA funding was used to procure 100 packages for the October 15, 2022 event. There is a remaining balance of \$210.45.

### **Morgan Hill Grange – \$16,380**

The Grange contracted with BayTek to purchase/install an HVAC system. The invoice was paid in full on

7/29/2022, the total was \$18,500.00. As part of the agreement, the Grange will also serve as a cooling center for the community as needed during extreme weather events.

**Morgan Hill Kiwanis - \$8,190.00**

The Morgan Hill Kiwanis (MHK) Scholarship Committee decided to use the Pandemic Impact Scholarship Fund (i.e., ARPA Community Funding Program's \$8,190 funds awarded to MHK in December 2021) to sponsor 3 Turnaround Scholarship students over 2 years. The Committee will distribute \$750 for the 1st semester per student and distribute \$750 for next 3 semesters upon each student completing the minimum required number of units the previous semester and providing proof of a passing grade of C or better.

**Pitstop Outreach - \$410.00**

PitStop Outreach received \$410 from the City of Morgan Hill in ARPA funds, which was spent on individual bottles of hand sanitizer, facemasks, and vinyl gloves, and disinfectant wipes. All supplies were distributed by June 30, 2022.

**St. Catherine – St. Vincent de Paul – \$27,518**

Funding was used to assist Morgan Hill residents with water and electricity bills. The total amount was expended as detailed in the attached report.

**Youth Alliance – \$12,285**

Funding was used to provide low-income youth and residents of Morgan Hill with wellness checks, outreach services, health education focused on vaccinations/testing, health forms, and rental assistance. Funds were also used to provide emergency gift cards to cover food, utilities, and essential item purchases.

**The full reports that were submitted are included in the attached files.**

# **ARPA Community Funding Project**

Chabad South Country Jewish Center

Final Report

September 2022

## **Summary:**

Chabad South County Jewish Center received **\$8,190** from the City of Morgan Hill on **12/10/2021**. This money was utilized to expand our assistance programs and fund new initiatives that served our community. Funding was used for our food delivery program, which provides meals and care packages for homebound individuals and families in need. The grant also funded outdoor family and youth education events which fostered a sense of cross-cultural understanding and promoted tolerance and unity amongst the diverse factions of the community.

## **Detailed Expenditure and Programming:**

### **1. Food packages- \$3,690**

- a. Chabad distributed an average of 10-15 weekly food packages to those in need throughout the City of Morgan Hill. During the holiday season, 250-350 cultural gift packages were distributed. Each package cost approximately \$8, including food items, packaging. Throughout the year, we distributed a total of about 1532 packages. The total cost was approximately \$12,256, of which \$3690 was from the ARPA Community Funding Project.

### **2. Outdoor Family Events- \$4,500**

- a. Over 200 people from the Morgan Hill community attended our outdoor family Chanukah event. People of all ages, affiliations and walks of life joined together at the Morgan Hill Downtown Amphitheater to celebrate the holiday of Chanukah and its universal messages of freedom, tolerance and faith. The total cost of the event was \$11,000, of which \$3,400 was funded by the ARPA Grant.
- b. We hosted a Family Fun event at One Acre Farm. It was an opportunity for children in the community to plant their own vegetables and learn about gardening and the values of caring for the earth. The cost of this event was \$1,000, of which \$500 was from the ARPA Community Funding Project.
- c. We hosted a community BBQ that was attended by 60 people. This outdoor event brought together people who had been isolated and alone for many months, fostering a sense of well-being and communal belonging. The cost of this event was \$1,200, of which \$600 was from the ARPA Community Funding Project.

**Community Agency for Resources, Advocacy and Services (CARAS) Rental /Deposit Assistance for Morgan Hill Residence**

**Summary**

CARAS received a check from City of Morgan Hill on abouts 12/15/21.

On 1/1/22 we developed a flyer and on 1/8/22 we distributed flyers Morgan Hill, CA at Jasmin Jasimen Square apartments, Del Montel, Crest Apartments and Park Hill Apartments and surrounding areas. We passed out one thousand flyers.

In August and September 2022, we passed out an additional one thousand flyers in Morgan Hill, CA at Jasmin Jasimen Square apartments, Del Montel, Crest Apartments, Park Hill Apartments and Villa Ciolino Apartments and surrounding areas. We passed out another one thousand flyers.

For November 2022 we plan to pass out an additional 1000 housing rental assistance flyers in Spanish and English to Morgan Hill residences.

We haven't had many Morgan Hill residences apply for rental assistance, one family we served was denied from (SOS) Season of Sharing application for rent, we subsequently applied on the behalf of the family with (HIF) Housing Industry Foundation funding which took a while due to the apartment manager not responding in providing additional documentation. On August 2 2022 the client informed me that they had paid the outstanding balance. I informed them that the agency would not pay past-due rent if it was paid already. We have had (3) Morgan Hill clients inquire about rental assistance and provided them with documentation needed or left phone messages on what is needed to apply. We have helped (30) other Morgan Hill residents with other supportive services, housing needs and referrals listed below.

We have provided additional services to Morgan Hill residents, spending hours for each client such as:

1.	██████████	Housing eviction/legal assistance
2.	██████████	Housing, food, clothing, immigration questions
3.	██████████	IRS issues, social security issues, Medi-Cal application, food stamp application. This client is a senior citizen

**ARPA Community Funding Report  
City of Morgan Hill  
October 3, 2022**

**Grant award:** \$8190

**Need:**

COVID has had a significant impact on everyone's lives, but none more so than those who were already struggling. Clients of Community Solutions come to us for assistance and services as they face some of life's greatest challenges: mental illness, substance disorders, trauma, intimate partner violence, sexual assault, human trafficking, and severe family dysfunction. For most of our clients, an additional overlay to all these issues is poverty and unstable housing.

**Use of Funds:**

Grant funds were used to protect the safety and well-being of Morgan Hill residents. Without these funds, the clients' housing and safety would have been severely compromised.

The funds were used to assist 7 adults and one child with the following:

- Rental assistance to maintain housing
- Rental deposit and rent to secure housing
- Bus tickets for mom and child to leave area in order to protect their safety

**Documentation:**

Attached is:

- Spreadsheet indicating 9 expenditures
- Back-up data including vouchers, housing agreements and bus tickets

Please note: client names have been removed from all documents to protect their identity and comply with HIPAA regulations.

## Executive Summary

We'd like first to express our sincere gratitude to the City of Morgan Hill for having granted \$2457 from the American Rescue Plan Act towards IASC's Share the Care Drive in 2022.

On the 15th of October 2022, we conducted a food distribution drive in Morgan Hill at the El Toro Elementary school. 100+ bags of groceries, care packages and fresh produce were distributed to under-resourced families in Morgan Hill.

## Background

IASCs Circle of Giving is the humanitarian initiative of the Indian Association of South Santa Clara County and is run by volunteers who care deeply about service in aid of our community. Circle of Giving is driven by its mission statement - standing together, serving our extended community - to provide services to those who are most in need.

Circle of Giving has had a significant impact on the community, and we're especially proud of the following achievements:

- 4000+ hot meals served through our Hands against Hunger program
- 1280 packages shared through our Packed with Care program
- 700+ bags of groceries and care packages distributed through the Share the Care program

## Share the Care Drive 2022

The Share the Care is a program is focussed on distributing groceries and care packages to those who are in need of these the most. Hundreds of bags of groceries and care products were distributed in the 2021 distribution at Morgan Hill. The bags are filled with groceries and care package items that would last for at least 1 week for a family of 4. In 2021 these items were procured through generous contributions from the community and our partners, and distributed at the Morgan Hill Community Center parking lot.

We increased the reach of this program in 2022 and ran two distribution events the month of October. The grant from Morgan Hill will be used to procure 100 packages for one of these distribution events held on the 15th of October at the El Toro School. The rest of this report focuses on the distribution drive at Morgan Hill, since the funds from the grant were used exclusively for the Morgan Hill event to serve residents of Morgan Hill.

The event was planned and executed in 4 distinct phases:

1. Pre-work and planning
2. Procurement of items

3. Identifying under resourced families
4. Distribution

## Pre-work and planning

The core team of Circle of Giving got together and decided on the date, time and venue for the distribution. The following flyers were created and distributed

### 1. General event details

### 2. Soliciting donations from the community

Specific roles and responsibilities were discussed and allocated to core team members.

## Procurement of Items

Core team members took on the arduous task of comparing prices across different stores in the Bay Area. With high inflation, it was going to be a challenge to procure all the items we needed for the drive. At this point we were blessed to have the Indian community step up with donations

of grocery items and care packages, we got extra packets of rice, pasta, and canned goods that we could include in our packets, while keeping costs under control.

We were also fortunate to have Hunger at Home, a San Jose based non profit specializing in food distribution, offer us 1 pallet of fresh produce that we could bundle along with the dry groceries and care packages.

### Identifying under resourced families

We partnered with the community liaisons in the Morgan Hill Unified School district to ensure that families that were truly in need were recipients of these packages. The community liaisons reached out to 140 families who had students studying in various Morgan Hill schools via email and text. On the day of the event 70% of the 100+ packages that were given away went to families that were contacted by the community liaisons.

### Distribution

One day prior to the 15th of October, tens of volunteers gathered at one of core members' garage to pack all the items and fresh produce into bags and load them onto 4 vehicles in preparation of the distribution.

At 8 am on the 15th of October more than 20 volunteers gathered together at El Toro School Morgan Hill to set up stations and dedicated traffic lanes for the distribution drive. Tables with bags of dry groceries, fresh produce, and care packages were quickly set up.

By 8.45 am, fueled by a quick round of tea, croissants, we started dry runs to ensure that there was a smooth flow of traffic and packages were loaded quickly onto the cars of our recipients.

The first set of cars started trickling in at 9 am and thanks to a well run system, we were able to get all the cars through the registration and onto the loading stations smoothly, where our volunteers were quick to complete the transfer of bags to the vehicles. We wrapped up at 12 noon, and while we were exhausted we felt immensely satisfied and exhilarated with having been able to have a positive impact and help those in need the most.

*NOTE: We continue to have families that could not make it on the 15th of October reach out to us. We're working on ways in which we can help these under resourced families.*

### Expenses

The total expenses for the event are listed in the table below:

Items	COST
-------	------

Groceries	\$1,041.43
Care packages	\$1,060.45
Flyers	\$30.06
Rentals - Traffic Cones	\$24
Plastic bags	\$10.0
Volunteer - food	\$69.73
Caution Tape	\$10.88
<b>Total Grant spend</b>	<b>\$2,246.55</b>

\* A detailed breakdown of items procured, along with the receipts are available on request.

The estimated expenses for the grant are given below:

Item	Cost per item	Minimum Count	Estimated cost	ARPA grant \$2,457 (100 count)
Food barrels for storing donations	NA	4	NA	NA
Grocery Bags	NA	150	NA	NA
Dry groceries	\$12.00	150	\$1,800.00	\$1,200.00
Hygiene kits	\$12.00	150	\$1,800.00	\$1,200.00
Branded labels	\$9.50	6	\$57.00	\$57.00
<b>TOTAL</b>				<b>\$2,457.00</b>

We spent \$210.45 less than the grant amount on running our food distribution drive thanks to the generous contributions from the community. These donations of groceries helped us come under budget, without having to reduce the number of families we were targeting through our food distribution drive.

## **Kiwanis Morgan Hill**

The Morgan Hill Kiwanis (MHK) Scholarship Committee decided to use the Pandemic Impact Scholarship Fund (i.e., ARPA Community Funding Program's \$8,190 funds awarded to MHK in December 2021) to sponsor 3 Turnaround Scholarship students over 2 years. The Committee will distribute \$750 for the 1st semester per student and distribute \$750 for next 3 semesters upon each student completing the minimum required number of units the previous semester and providing proof of a passing grade of C or better. The MHK BOD has approved the use of the Pandemic Impact Scholarship Fund (i.e., ARPA Community Funding Program's funds) as recommended and MHK will provide any additional funds above \$8,190.

On 5/3/2022, the Morgan Hill Kiwanis held Scholarship Award Presentation distributing funds to all Scholars including the three (3) selected students for the Pandemic Impact Scholarship Fund. These students will need to continue meet education criteria to continue funded for their next semester anticipated in January 2023 timeframe and as well any future semester funding. MHK Scholarship committee used selection criteria to identify those students who had been impacted by COVID for the Pandemic Impact Scholarship Fund. The committee collaborated closely with the local school district's on-campus Counselors to help identify those candidates whose hardships includes impact from COVID.

RE: Youth Alliance ARPA Funding Report to Morgan Hill City Council

Nichole,

I am pleased to submit this summary report of the activities and support Youth Alliance was able to provide to low-income youth and residents of the City of Morgan Hill through the \$12,285 ARPA funding allocation. I would like to point out a few highlights from the infographic summary that is attached:

1. 25 youth participated in a total of 452 group services, 180 at Royal Court Apartments and 272 at Crest Apartments.
2. A total of 699 individual services were provided to 59 unique participants; these included the following
  - a. 286 wellness checks conducted on families throughout the funding period.
  - b. 178 outreach services were made to inform residents of resources, services and programs.
  - c. 121 residents received health education, focused on covid vaccinations, testing and related support.
  - d. 92 residents received assistance completing health forms
  - e. 92 residents were connected to or assisted with accessing rental assistance
3. 10 families received emergency \$200 gift cards to help cover costs of food, utilities, or other essential items.
4. A budget breakdown is shared below for your review.

City of Morgan Hill ARPA Allocation Budget Breakdown	
Salaries and Benefits	\$6,730.00
Program Supplies	3,505.55
Gift Cards (emergency direct assistance 10 cards @ \$200)	\$2,049.45
TOTAL	\$12,285.00

Youth Alliance is appreciative of the opportunity to serve as a vital source of information and support to the families and youth in the City of Morgan Hill. We look forward to the opportunity to meet with you to discuss additional opportunities that may be available in the future to help contribute to a healthy and vital community.
