REVISED BIDDER'S QUESTIONNAIRE

BUTTERFIELD FIRE STATION PROJECT

Within forty-eight (48) hours following a request by City, a bidder must submit to City a completed, signed Bidder's Questionnaire using this form and all required attachments, including clearly labeled additional sheets as needed. City may request the Questionnaire from one or more of the apparent low bidders following the bid opening and may use the completed Questionnaire as part of its investigation to evaluate a bidder's qualifications for this Project. The Questionnaire must be filled out completely, accurately, and legibly. Any errors, omissions, or misrepresentations in completion of the Questionnaire **will** be grounds for rejection of the bid or termination of a Contract awarded pursuant to the bid.

The Bidder, as a continuously operating entity, must have minimum three [3] years' experience with similar projects (i.e., new construction, plus experience on essential services projects) and have completed at least one [1] similar public safety project. Owner shall make the sole determination of whether bidder's project experience is similar, considering the primary characteristics and challenges of the Butterfield Fire Station Project.

Bidders must demonstrate successful experience with type of work of this Project, to include, within the past five [5] years, completion of at least three [3] projects of a similar nature and complexity with a contract dollar amount of at (i.) least 75% of the amount of Bidder's Bid or (ii.) 125% of such amount in the aggregate. Failure to provide project experience for three completed comparable projects or determination by Owner that the provided information is invalid **will** result in disqualification. Projects currently under construction will not be deemed a comparable project.
