Residential Wastewater Information

Wastewater rates are set according to customer's actual winter usage history. Rate is based on prior monthly winter average water use during the 3 consecutive winter months when the least water was consumed city-wide. For new customers without a winter average in that home, the single-family rate assumes a winter average of 8 units, and the multi-family rate assumes a winter average of 4 units. Wastewater fees are \$5.64 per unit plus a base charge of \$42.40 per month (for a 1" meter).

SEWER RATES FOR NEW CUSTOMERS WITH NO WINTER MONTHLY AVERAGE	
Single Family Monthly Service Fee	\$87.52
Multi-Family Monthly Service Fee	\$64.96
*Lift Station Monthly Service Fee	\$13.34 *For customers in specific geographical areas.

Commercial Accounts

Fees vary depending upon meter size and type of business. Sewer charges are calculated monthly based upon actual water usage. Call 408-779-7221 for more information or view on our website.
