

TRANSPORTATION MASTER PLAN

▶▶▶ COMMUNITY MEETING #1 ◀◀◀

The City of Morgan Hill is working to develop its first comprehensive Transportation Master Plan. This plan is intended to provide information including traffic counts, future traffic modeling, updated speed survey to set speed limits, review of existing transportation infrastructure, specific review and analysis of bike and pedestrian infrastructure, development of transportation priorities for the City, creation of a capital improvement program, and numerous other components. The plan will also provide the foundation for an update to the City's General Plan Transportation Element.
