## MULTI-FAMILY APPLICATION SUBMITTAL COMPLETENESS CHECKLIST

The Building Division will use this checklist to verify the Building Permit Application is complete. This completeness check may take up to 15 business days. If the application is not complete you will receive notice of the missing items. Once the application is deemed complete an invoice will be produced for the Plan Review fees.

A complete Building Permit Application will include the following documents and plans. The applicant shall mark the left side of this form identifying what items are being submitted with their application.
