

WEDNESDAYS ADAPTIVE TEENS HANGOUT

Every Wednesday from 4 PM to 8 PM
Centennial Recreation Center - Teen Center
6th – 12th grade

Participants will embark on exciting activities and explore multiple-choice challenges that inspire creativity. They will have the opportunity to utilize the Teen Center's fantastic equipment, including ping pong table, pool tables, computers, and video games. We believe in the importance of connection, so a parent must remain on the premises for the entire duration of the program.

Bring your friends. All Teens are welcome too!
No pre-registration is required.
