

# Changes to TMP Draft 10.24.2024

- **Global Edits**
  - Updated all maps to remove school previously shown south of Cochrane Road on Jarvis Drive
  - Updated color palette for maps as needed
  - Minor editorial and graphical edits throughout report
  - Updated language in plan to say that it will be update every 5 to 10 years
- **Acknowledgements**
  - Added Stakeholders
    - Saied Zargar, Parks and Rec Commission
    - Elizabeth Munoz-Rosas, School District Parent Representative
    - Lisa Kay Dugan
  - Edited Acknowledgments – Edith Ramirez, Assistant City Manager; Scott Creer, Deputy Director for Engineering
  - Added Staff: Andrew Giba, Program Specialist
- **Executive Summary:**
  - Updated
- **Chapter 5: Improvements Toolbox**
  - Added to traffic calming tools:
    - In-roadway signs and delineators
    - Roundabouts
  - Added section on “Projected Traffic Growth on City Streets”
- **Chapter 6: Implementation**
  - Updated chapter to show only Tier 1 detailed improvements. All Tier 1,2, and other improvements to be provided in Appendix A
  - Updated project #26 title to “Llagas Road between Llagas Court and Old Monterey Road”
  - Added/Updated the following Programs & Initiatives:
    - Develop Speed Management Plan (New)
    - Speed Radar Enforcement (New)
    - Street lighting (New)
    - Update Design Guidelines for New Development (Updated)
    - Enhanced Pedestrian and Bicycle Detection (Updated)
    - Develop a Transportation Monitoring Program (Updated)
    - Add EV Chargers (New)
  - Recommended General Plan Modifications Section:

- Under potential adjustments to Policy TR-3.4, added language clarifying that any changes in LOS standards will need a policy change requiring City Council approval
- Under adjustments to Policy TR-8.14, modified language to clarify that the TMP should be used to identify planned bike facilities within the City since it is more comprehensive and includes facilities of the Bikeways Master Plan
- Updated TMP monitoring section with additional language around annual implementation report for TMP by City Staff
- **Appendix A**
  - Added project location maps
  - Updated Project #25 to include potential side path between Llagas court and Castle lake drive
  - Updated project #38 to include RRFB at Murphy/Old Vine
