

## Coming Soon!

*Starting July 1, 2025, the WaterSmart platform will no longer be available. You can now track your water use through AquaTrax which will become available June 20, 2025. Sign up at <https://myaquatrax.com/morganhill> or download the app from the Apple App Store or Google Play.*

### Monitor Usage

Track your consumption. View real-time data to stay in control of your water use. Receive monthly water report that compares your usage to other similar properties.

### Receive Alerts

Get notifications about leaks, excessive water usage or system issues.

### Save Water & Money

Reduce waste, lower your utility costs, and contribute to a sustainable community.
