**FINANCIAL STATEMENT ANALYSIS - FISCAL YEAR 2024-25**  
**FOR THE MONTH ENDED MARCH 2025 – 75% OF YEAR COMPLETE**

- **General Fund** – Revenues through March totaled \$33.5 million, or about 59% of the budget. Regarding the property tax revenue forecast, the County estimates the City will receive approximately \$20.0 million in property tax revenue for the current fiscal year, slightly exceeding the budget of \$19.4 million. However, after adjusting for the excess ERAF set-aside of 20%, or \$0.5 million, the revised property tax revenue shows only a modest increase over the budget. As for sales tax, HdL, the City's sales tax consultant, estimates the City's current fiscal year sales tax revenue (before tax rebates) at \$12.0 million, slightly higher than previous estimate by about \$0.1 million. Nevertheless, this still represents a reduction of approximately \$0.9 million from the current year's budget, partially attributable to lower tax receipts from vehicle sales and one-time adjustments in the prior year's receipts. Furthermore, the estimate for the next fiscal year has been further reduced to \$12.2 million, down from the previous estimate of \$12.4 million.

The chart below shows historical General Fund revenues by major revenue category from FY20-21 through FY23-24 Actual, FY24-25 Budget, and YTD as of March 31, 2025.

General Fund expenditures and encumbrances through March totaled \$45.8 million, of which approximately \$2.5 million is attributable to outstanding encumbrances, compared to prior year expenditures, including encumbrances, of \$43.8 million. This represents an increase of \$2.0 million, including encumbrances, compared to the prior year. Excluding the encumbrances, expenditures increased by about \$2.6 million, primarily due to additional staffing, negotiated salary adjustments, and overall cost increases.

- **Community Services** – The Community Services Department's recreation operations, as reflected in the schedule presented on page 7 of the Monthly Financial and Investments Reports, shows a negative impact to the General Fund of approximately \$1.0 million as of March 31, 2025. Recreation Services revenues continue to recover from the pandemic and are on target with budget.

**FINANCIAL STATEMENT ANALYSIS - FISCAL YEAR 2024-25**  
**FOR THE MONTH ENDED MARCH 2025 – 75% OF YEAR COMPLETE**

The chart below shows the historical net impact of Recreation Operations to the general fund.

Due to longstanding governmental accounting and budgeting convention, the City’s recreation operations are not charged for indirect costs (known in Morgan Hill as “General Fund Administration”) from the central services departments of City Attorney, City Manager, and Administrative Services. The City’s other governmental funds, such as Development Services, and the proprietary funds, such as Water and Wastewater, and the Information Services Fund, are assessed such charges through the City’s indirect cost allocation plan, prepared in compliance with the guidelines set forth in the Code of Federal Regulations Title 2, Chapter II, Part 200 (formerly OMB Circular No. A-87), which mandates certain calculation and cost allocation practices that must be followed in order to qualify for Federal grant funding, but which also represents best practice for non-grant funded City operations like utilities and information services.

- **Development Services Fund** – Revenues through March totaled \$4.7 million compared to the prior year to date amount of approximately \$4.1 million. Expenditures, including encumbrances, totaled \$4.7 million.
- **Debt Service Funds** – Expenditures through March totaled \$0.6 million. The debt service for the first half of the year includes both interest and principal, while the second half will include interest only. Debt service payments were scheduled when the bonds were issued and are budgeted for the months specified in the underlying bond documents. The General Fund’s portion of the annual debt service payments is approximately \$200,000, less than one percent of the General Fund’s budgeted revenues.
