

January 29, 2026

Hi Members

Thank you for your patience while we worked to resolve the pool heating issues at the Aquatic Center. We wanted to provide an update.

Instructional Pool Closure:

The instructional pool was closed Friday, December 19th and we will be reopening on Monday, February 9th, pending any unforeseen issues. We hope you were able to utilize the additional lap swim and classes offered at the indoor Centennial Recreation Center pool during this time.

We will be updating the schedules for the Instructional Pool and the Centennial Recreation Center effective February 9th. They will be posted on our website on Friday, February 6th:

<https://www.morganhill.ca.gov/189/Aquatics-Center-AC>

Pool Heating Upgrades Coming:

The City has \$1.5 Million Dollars in funding to modernize systems at the Aquatics Center, including the pool heating. This project will occur in 2026 and will provide future consistency in pool heating down the road.

If you have any questions, please let us know. Thank you for your patience and understanding.
