LANDSCAPE COMPLIANCE FORM

Section 18.73.070 of the Morgan Hill Municipal Code requires a licensed landscape architect, licensed landscape contractor, certified irrigation designer, or other licensed or certified professional in a related field to conduct a final project observation and provide this signed certificate of substantial completion to the City Building Division before a Certificate of Occupancy or building final is issued. The design professional certifies that the plants and irrigation systems are installed as specified and that an irrigation audit has been performed, including any deficiencies.
